Sir:

This Request for Reconsideration and Amended Claims are in response to the Office Action dated October 14, 2010, which was responsive to Applicant's July 16, 2010 Reply. Applicant provisionally elects the currently amended claims 4, 11, 19, 21, 22, 26-32, 36-44 and 46-57, and withdraws claim 45, with traverse. Applicant respectfully disagrees regarding Examiner's statement that the July 16, 2010 claims were new inventions but Applicant herein amends to avoid such characterization rather than appeal.

Applicant wishes to thank the Examiner for returning his call on November 4, 2010 about his comments regarding the October 14, 2010 Office Action. Remarks begin on page 12.

IN THE CLAIMS:

All pending claims are reproduced for convenient reference. The current amendments are made to the claims of the July 16, 2010, Reply & Amendment. These amendments, along with the withdrawal of claim 45 are presented in the interest of furthering prosecution of this case. Please find support examples for these same-numbered claims (herein newly amended) in the Applicant's July 16, 2010, Reply and Amendment.
